Comfort, carefully considered.

HVAC installation, repair and ongoing care for homes and commercial properties in Miami-Dade and Broward counties.

Residential comfort

New installations, equipment replacements and cooling solutions considered around your home, comfort preferences and architectural details.

Commercial HVAC

Installation, service, repairs and replacement discussions for commercial spaces, with attention to operating schedules, access and project coordination.

New construction & collaboration

Coordination with homeowners, architects and builders around equipment locations, duct routing, air distribution and controls.

VRF, ductless & zoning

Explore equipment options and room-by-room control with a system approach suited to the property.

Air quality & humidity

Discuss ventilation, humidity management, filtration and air-distribution options alongside your existing equipment.

Repairs & preventative maintenance

Troubleshooting, repair guidance and maintenance recommendations based on your equipment and how it is used.

Confidence beyond installation.

Mitsubishi installation warranty

As Mitsubishi Elite Diamond Contractors, Nel & Sons includes a 2-year labor warranty and a 12-year parts warranty on all new Mitsubishi equipment installations at no additional charge.

Extended parts & labor protection

Nel & Sons uses JB Warranties for extended parts-and-labor warranties. Ask our team about available options and the written requirements, exclusions and pricing for your equipment. jbwarranties.com

Maintenance tailored to your system

Contact Nel & Sons to discuss maintenance for your home or business. Our team will explain the recommended schedule, included services and pricing for your equipment.

Start with a conversation

Tell us your property location, equipment type, comfort concerns and preferred timing. For commercial inquiries, include the business name and a brief description of the building and service needs.

Let's talk comfort
